

Top 3 Reasons to Vote Against the GOP Repeal Bill

There are a lot of reasons the American Health Care Act is bad for consumers, but here are our top 3 reasons lawmakers should reject it.

1

133 million people with **pre-existing conditions** could lose vital protections they currently have.

2

24 million people could **lose health insurance**.

3

\$600 billion in **tax breaks** given to high-income earners and health insurers.
